

## **THE LEON AND MARCELLA SIMONSEN MEMORIAL SCHOLARSHIP**

The family of Leon and Marcella Simonsen is offering a \$250 scholarship to a graduating senior from Superior High School.

Both Leon and Marcella grew up in the area, and after their marriage, engaged in production agriculture for over sixty years.

They were lifelong supporters of the community, their local church, and the Superior school system, where they enjoyed attending numerous functions.

They valued watching students grow through their school activities, while excelling in academics, as well as being actively involved within their community.

Based on these values, the family is honored to assist one graduating senior in furthering his/her post-secondary education.

### **SCHOLARSHIP GUIDELINES**

Preference may be given to students majoring in the field of Agriculture, or who have been active in agricultural activities during high school.
