

**SUPERIOR PUBLIC SCHOOLS
ANNUAL REPORT OF SCHOOL DISTRICT 65-0011
SCHOOL YEAR 2021-2022**

This annual report is intended to keep patrons of the Superior District informed about the school system as well as meet the requirements of the Nebraska Department of Education.

The Superior District covers approximately 262 square miles in Nuckolls, Webster, and Thayer Counties. The district is classified as a Class III district by the Nebraska Department of Education and is classified as a Class C-2 school by the Nebraska School Activities Association. The school is a member of the Southern Nebraska Conference which includes Centennial, David City, Fairbury, Fillmore Central, Heartland, Thayer Central, Milford, Sandy Creek, Sutton, and Wilber-Clatonia.

A six-member board governs the School District. Current members of the Board of Education are: Matt Sullivan-President, Peggy Meyer-Vice President, Brad Biltoft-Secretary, Matt Bargaen, Luke Meyers and Jason Jensen. Kim Williams serves as Board Clerk and Bookkeeper/Treasurer.

MISSION STATEMENT

The mission of the Superior Public Schools is to provide a student centered environment that ensures personal success by developing resilient, healthy, productive citizens through partnerships with families and the community.

STUDENT ENROLLMENT

Total enrollment for all students' pre-kindergarten through grade 12 is 414 as reported to the state on the last Friday in September.

FOOD SERVICE

The school hot lunch program is managed by Kris Holcomb. Five cooks serve breakfast and lunch to the K-12 students. An Elementary fresh fruit and salad bar was added as part of the Healthy Hunger Free Kids Act.

TRANSPORTATION

In 2021-22, the transportation department was managed by transportation supervisor Kevin Knoell and is supported by nine route drivers. Vehicles include eight buses, two mini-buses, eight vans, three cars and two custodial pickups. During the past year, buses and vans logged a total of 165,875 miles. Of the total mileage, 52,712 miles were for activity trips, 36,683 were for SPED, 41,009 were for regular routes, 23,262 were for staff, and 12,209 were for our PALLS Program. Special education drivers transport students to Hastings on a daily basis.

AMERICAN WITH DISABILITIES ACT

The Superior School district is in full compliance with the American with Disabilities Act by insuring that persons with disabilities have access to all programs provided by school district.

SCHOOL IMPROVEMENT GOALS

The Superior Schools are in a continuous cycle of school improvement. The current emphasis is placed on improving reading skills in the elementary school. Math is the focus in Middle and High School along with problem solving.

HIGH ABILITY LEARNER PROGRAM

Superior Schools is continuing the process of maintaining their program for high ability learners. High Ability Learners are those students who give evidence of high performance capability in such areas as intellectual, creative, or artistic capacity or in specific academic fields. Their needs go beyond the opportunities available in the regular classroom. To ensure complete and equitable identification of High Ability Learners, Superior Public Schools use a multiple screening matrix. This includes achievement test scores, IQ scores, teacher observation, parent observation, and peer nomination. The needs of High Ability Learners are met through ability grouping in reading and math.

NUMBER OF DAYS SCHEDULED IN THE SCHOOL YEAR

Superior Public Schools offers a preschool to children ages 3 and 4. The preschool is scheduled to attend school one hundred and forty (140) days. One hundred and seventy-five (175) K-12 student days are scheduled for the 2021-2022 school year. The staff members work a total of 185 days, including school workshops prior to the beginning of the school year. During the school year they participate in parent-teacher conferences, school improvement, and staff development in-services. These in-services are conducted during scheduled early outs during the year.

BUILDINGS AND CAMPUS

The Superior Schools encompasses one location. The original High school building was built in 1965 and the Junior High addition was completed in 1983. A new elementary facility was built and moved into in August 2011. The new facility houses grades PK-5. The district also erected a new bus barn which is located just south of the Jr./Sr. High building. The new bus barn was occupied during the 2012-2013 school year. The pre-school was moved to the current location in the fall of 2015. A weight room was opened in the fall of 2018. The weight room was paid for from the generosity of donations from alumni and community members. 17 acres was purchased directly across the street from the high school. This property is being used as an ag lab for students in various classes.
