

REVISED--Red Caps Lunches – 2020-2021 Season

SHS Varsity Girls Basketball

The Red Caps Booster Club provides sack lunches for all **VARSIY AWAY** games greater than 30 minutes away. These lunches will be for AFTER the ballgames ----or---- at the coaches' discretion.

We are to provide enough lunches for all members of the traveling team including players (13), coaches (2), student managers (2), and a bus driver for **18 people.**

Sandwiches:

- **1 sandwich per person.** Please provide **18 sandwiches or equivalent.**
- Purchase bread/buns, cheese, and meat at Ideal Market. It is usually best to call Ideal prior to game day to at least give them time to slice the meat for you. You may choose the meat you prefer (preferably turkey or ham) and sales are always nice!
 - If you prefer to purchase sandwiches or other option (pizza) elsewhere for a variety-that is fine as long as it is **PRE-APPROVED** financially by the Red Caps Treasurer for billing and reimbursement.
 - Remember ... no dressing on sandwiches because they tend to get "mushy" easily!
 - You may prepare a lunch item other than sandwiches as long as the cost is approximately the same as it would be if you were purchasing the sandwich items. Typically the cost is \$2.50 per team member.
 - Watch for sales at Subway. At least one month during the season they will offer \$5.00 footlongs, two team members = one footlong. If you choose to order from Subway, please notify the Red Caps Treasurer because she will have to go to Subway to purchase the sandwiches prior to the parent picking them up.
- **Pickup 18 small** individual packets of mayo and a few packets of mustard from the deli. Ideal will place the condiments in a zip-lock bag. We have an agreement with Steve Hiatt at the store - we get mayo/mustard for FREE if we purchase the other items at the store, so please make sure you do not get charged for the small packets.
- Charge items to the Red Caps account (#303).
- Provide Red Caps Treasurer with receipt.

Water:

- Pickup water for **12** at Ideal Market. Per Coach, girls normally fill their water bottles before heading home, pickup 12 bottles of water, so there is water for the coaches and those athletes without water bottles on the ride home.
 - Any water left over ... please give to the next person on the list to provide water.
 - Pick water up any time at your convenience during store hours.
 - You must use your own coolers to ice the water down
 - Mark your name on cooler so your athlete gets them home after the game!!!

Cookies/Bars:

- Make cookies or bars as you like for **18**. Please wrap up individually or put in baggies.
- Scotcharoos are usually a big hit.

FINALLY

- You are responsible for getting your items to the bus or with the team prior to their departure.
- If the girls deliver them for you---make SURE they are not left in vehicles, school office, or left behind!
- Do not leave lunch items outside the school unattended.
- Please send with the team!!!
