

Red Caps Lunches – 2020-2021 Season **SHS Varsity Boys Basketball Lunches**

The Red Caps Booster Club provides sack lunches for **VARSITY AWAY** basketball games 30 miles away. These lunches will be for AFTER the ball games ----or---- at the coaches' discretion.

We are to provide enough sack lunches for all members traveling with the team (27) ... (22) players, (3) coaches, and (2) student managers.

Sandwiches:

- ☐ **1 sandwich per person.** We are to provide **27 sandwiches**

- ☐ Purchase bread/buns, cheese, and meat at Ideal Market. It is usually best to call Ideal prior to game day to at least give them time to slice the meat for you. You may choose the meat you prefer (preferably turkey or ham) and sales are always nice!
 - If you prefer to purchase sandwiches elsewhere for a variety-that is fine as long as it is PRE-APPROVED financially by the Red Caps Treasurer for billing and reimbursement.
 - Remember ... no dressing on sandwiches because they tend to get "mushy" easily!
 - You may prepare a lunch item other than sandwiches as long as the cost is approximately the same as it would be if you were purchasing the sandwich items. Typically the cost is \$2.50 per team member.
 - Watch for sales at Subway. At least one month during the season they will offer \$5.00 footlongs, two team members = one footlong. If you choose to order from Subway, please notify Alicea because she will have to go to Subway to purchase the sandwiches prior to the parent picking them up.

- ☐ Pickup **27** small individual packets of mayo and a few packets of mustard from the deli. Ideal will place the condiments in a zip-lock bag. We have an agreement with Steve Hiatt at the store - we get mayo/mustard for FREE if we purchase the other items at the store, so please make sure you do not get charged for the small packets.

- ☐ Charge items to the Red Caps account (#303)

- ☐ Provide Red Caps Treasurer with receipt

Water:

- ☐ Pickup water for **27** at Ideal Market.
 - Any water left over ... please give to the next person on the list to provide water.
 - Pick water up any time at your convenience during store hours.
 - You must use your own coolers to ice the water down
 - Mark your name on the cooler so your athlete gets them home after the game!!!

Cookies/Bars:

- ☐ Make cookies or bars as you like for **27!**
 - Scotcharoos are usually a big hit.
 - Please wrap up individually or but in baggies.

***We are not allowed to set up a meal area or use electric roasters. It is requested that those preparing the food sanitize their work space, wash hands, wear gloves, wear a mask and individually package meal items.**
