

Robert “Bob” Keifer Memorial Scholarship

Bob Keifer was born in Superior, NE in 1935 and was raised on a ranch west of Superior. He was enrolled in the University of Nebraska - Lincoln in the College of Agriculture and was one semester from completion of his degree when there was an illness in the family and had to return home to run the ranch. He always hoped to return to school to finish his degree but never had the opportunity. He loved the land and was a firm believer in education. After his death in 2010 his family decided to establish a scholarship to help a student from Superior High School further their education in an agricultural field of study.
