

# THE PULSE ON THE PLAYGROUND

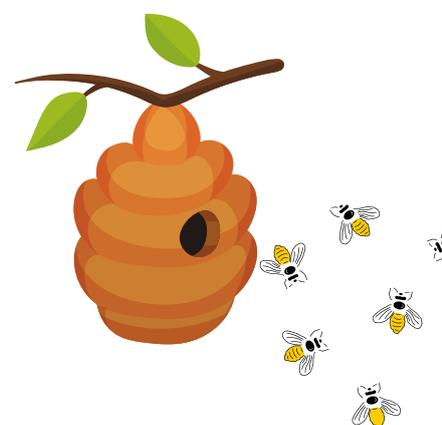

*The latest news and updates from Superior Elementary School*

It's already September! The first days/weeks have been fast and furious and it seems that both students and staff are working hard, learning lots, having fun, and are also tired by the end of each week! Please continue to help your child prepare for the school day by getting a good night's sleep and breakfast each morning.

This month all K-5 students will participate in our district-wide MAP Growth Assessment in the areas of reading, math, language usage and science. Classroom teachers and specialists will use this information to guide their instruction and better meet the learning needs of all students. Your child's teacher will share his/her results from these assessments with you at parent/teacher conferences on Sept. 30th.

With the month of September comes high school fall sporting events. I hope many elementary students are able to attend the home football and volleyball games. It's great to have fans in the stands again! Please reinforce to your child that they need to sit and watch the game. This keeps our students safe and allows everyone to enjoy the game. Go CATS!

## Lunch Buddy Picnic

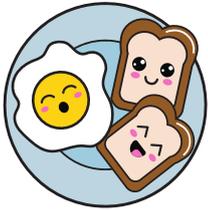

What's that?

On Thursday, September 16th a parent, grandparent or family friend is invited to eat lunch with their child at our *Elementary Lunch Buddy Picnic* from 11:00-11:30. All students will be served a sack lunch that day and any adult joining their child is asked to bring their own sack lunch. We will eat together on bath/beach towels on the ball field east of the school. Visiting adults can park in the KRFS/American Legion parking lot. We hope you or someone special can join us!

## Breakfast, Lunch, and Sack Lunch Info

The school's breakfast and lunch menus are sent home at the beginning of each month in your child's red folder. They can also be found on the school website.

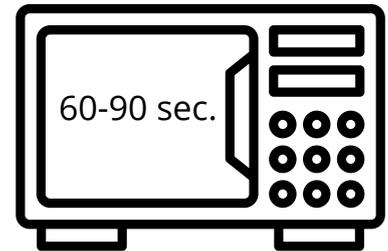

### Breakfast is served from 7:40-8:00am.

If your child wants to eat breakfast please drop them off between 7:40-7:45 so they have time to eat breakfast.

**Sack Lunches:** We welcome students to bring a sack lunch if they don't want to eat what the school is serving. However, we are having a large number of uncooked items (macaroni and cheese cups, rice cups, noodle cups) which take a long time to microwave. This creates quite the line-up of meals for staff to prepare. Therefore, students are not having much time to eat once their food is cooked.

**Please send items that can be *reheated* in 60-90 seconds or less.**

## SUBSTITUTE TEACHERS & SUBSTITUTE PARAS NEEDED!
