

# THE PULSE ON THE PLAYGROUND

*The latest news and updates from Superior Elementary School*

October is here and fall excitement is in the air! Younger students are learning about apples and pumpkins (the preschoolers made me some delicious apple crisp!) while older students are talking about their SYAA football and volleyball experiences. I even had a Kindergarten student tell me about his Halloween costume plans already last week!

As the weather changes please make sure to send a jacket with your child to school. The students go outside for recess at least twice each day. They also may go outside for other classroom activities. We want them to be properly dressed for the weather.

A strong relationship between home and school is vital for student success. Thanks to all of the parents who attended Parent-Teacher Conferences. The Lunch Buddy Picnic was definitely a highlight of the month, and we look forward to more family engagement activities throughout the year. If you ever have any questions, concerns or celebrations to share about your child please don't hesitate to contact your child's teacher or myself.

## **Classroom Halloween Parties**

*October 29th*

K-5 Classrooms will be celebrating Halloween on Friday, Oct. 29th during the last 45 minutes of the school day. If your child would like to bring a costume or accessories to wear during the party please send it in their backpack. The teachers are not responsible for lost, torn, or broken costume items so please plan accordingly with your child. It will be a fun way to end the month!
