ASK ME

LEARNING ABOUT COMMUNITY HELPERS

Talk with your child about different jobs and what is needed to do that job!

Ask:

- *What was your job at school today?
- *What jobs can you help with at home?
- *What job do you want to do when you grow up?

REMINDERS

Please help your child dress appropriately for winter weather. We plan for outside time everyday so they will need winter coat, hat, gloves/mittens.
