

# THE PULSE ON THE PLAYGROUND

*The latest news and updates from Superior Elementary School*

Spring is in the air! Staff and students are enjoying outdoor recess again after a few chilly days in February. We are also looking forward to Spring Break and celebrating the end of the 3rd quarter. We will have our elementary 3rd quarter assembly on Monday, March 21st. You can watch for it on FB live beginning around 8:20am. We love celebrating our students' successes from the previous quarter!

Thanks to all of the parents who attended Parent Teacher Conferences. As always, I hope you'll contact your child's teacher with any concerns or celebrations you have to share with them during the remainder of the school year. Report cards will be coming home on Friday, March 25th.

Finally, please mark Monday, March 28th on your calendar for our Family Fun Night. We are excited to host a fitness activity for our students (and their community) in conjunction with our American Heart Association fundraiser. We hope to see you all there!

*Reminder: The "Elementary Events" calendar is now posted on our school website or you can subscribe/add the calendar to your own calendar with the following link: <https://bit.ly/37lcrQf>*

## Family Fun Night

March 28, 2022

Our Family Fun Night will be held from 6:00-7:30 at the Lincoln Park.

Grilled burgers will be served by the Beef Boosters. The PBIS Committee will provide sides and drinks. The event will include a Fun Run (or walk) beginning at 6:15. A free will donation will be collected as part of our American Heart Association fundraiser. Please invite your neighbors, friends, and extended family members to this Family Fun Night!

## American Heart Association Fundraiser

Last year our students raised over \$12,000 for the American Heart Association, which ranked 5th in the entire state of Nebraska! We are so very proud of this accomplishment and have hopes to meet or exceed this goal again this year. Thanks to Mr. Luke Chadwell for coordinating our fundraiser.

The fundraiser begins on Monday, March 21st. Students will bring more information home at this time. It lasts for two weeks, ending on April 1st. For each \$100.00 a student raises they get to slime a volunteer staff member. In addition, for each \$250.00 they raise, they get to throw a pie in the face of a volunteer staff member. Last year's sliming was a HIT! Staff and students had a lot of fun celebrating their donations to this important cause.

## Music in Our Schools Month

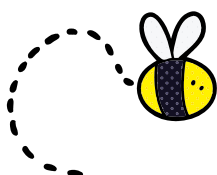

For more than 30 years, March has been officially designated by the National Association for Music Education (NAfME) for the observance of Music In Our Schools Month® (MIOSM®), the time of year when music education becomes the focus of schools across the nation.

The purpose of MIOSM is to raise awareness of the importance of music education for all children – and to remind citizens that school is where all children should have access to music. MIOSM is an opportunity for music teachers to bring their music programs to the attention of the school and the community, and to display the benefits that school music brings to students of all ages.

At Superior Elementary we are lucky to have K-5 music instruction provided by Mrs. Tierney Casper. In addition, our 5th graders receive their first year of instrumental instruction from Mrs. Allison White. Stay tuned to see what they have planned for Music in Our Schools Month!
