

SUPERIOR PUBLIC SCHOOLS

HOME OF THE WILDCATS

Dear Parent or Guardian:

We are pleased to inform you that Superior Public School District will be implementing a program available to schools participating in the National School Lunch Program and School Breakfast Programs called the **Community Eligibility Provision (CEP)**.

What does this mean for you and your children attending the schools identified below?

Great news! All enrolled students are eligible to receive a healthy breakfast and lunch at school at **NO COST** to your household each day of the school year. Your children will be able to participate in these meal programs without having to pay a fee or submit a meal application. Our A-La-Cart smart snack option will be available for students 6-12 grade. This gives them an opportunity to purchase additional food during breakfast and lunch. To be able to purchase items your child(ren) must have money in their meal account.
